GENERAL EMPLOYMENT POLICIES AND PRACTICES

The River Valley School District believes that its employees are among its most important assets. This Employee Handbook will provide you with some of the information you will find helpful as an employee of the district. It is important that you be familiar with and understand the information contained in this handbook.

This handbook is provided for informational purposes only and is intended to provide a general overview. Nothing in this handbook is to be interpreted to create an express or implied contract, covenant, promise or representation between the district and you. There is no employment agreement intended or implied by this handbook.

The Board reserves the sole right to add, change, withdraw, or revoke any or all policies or practices at any time for any reason, with or without advance notice. The Board will endeavor to modify the handbook no more frequently than annually. However, circumstances, including but not limited to, changes to the law may cause more frequent modifications that are in the best interest of the district.

Where benefits and other specific matters are addressed in any written employment contract signed and approved by the Board or its authorized designee, they are governed by the contract to the extent it applies. Except where there is express language in a contract that conflicts with the language in this handbook, this Employee Handbook supersedes and replaces any and all previously stated policies and practices, oral or written representations, or statements of the district including, but not limited to, those contained in any handbooks, agreements, or correspondence.

This handbook is intended to be used and read in conjunction with existing Board policies. While a number of Board policies are expressly included or referenced in this handbook, the fact that other policies are not specifically included or referenced in this handbook does not affect their applicability or enforceability.

All employees are expected to conduct themselves in a professional manner at all times.

Please refer to building-level handbooks for procedures specific to each building.

MANAGEMENT

The Board of Education on its own behalf, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by applicable law, rules, and regulations to establish the framework of school policies and projects including but without limitation because of enumeration, the right:

- To the executive management and administrative control of the school system and its properties, operations, programs and facilities, and the activities of its employees during working hours.
- To employ and re-employ all personnel and, subject to the provisions of law or State Department of Public Instruction regulations, determine their qualifications and

reasonable work assignments. In considering the above, the recommendations of the administration will be taken into account.

- To establish and supervise the programs of instruction, selection of textbooks and other teaching materials, the use of teaching aids, class schedules, hours of instruction, and length of school year.
- To take whatever action is necessary to comply with state or federal law, or to comply with state or federal agency decisions or orders;
- To take whatever action is necessary to carry out the functions of the school system in situations of emergency.

The exercise of the foregoing powers, rights, authorities, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this agreement and Wisconsin Statutes; and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Wisconsin.

EQUAL OPPORTUNITY EMPLOYMENT

The River Valley School District is an equal opportunity employer. Personnel hiring and administration in the district shall be conducted so as not to discriminate against applicant or employee.

The River Valley School District does not discriminate on the basis of race, color, national origin, sex, disability, age, sexual orientation, marital status, creed, political affiliation, ancestry arrest or conviction record, membership in the national guard, state defense force or any other component of the military forces of the United States or Wisconsin, or any other reason prohibited by state or federal law in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following people have been designated to handle inquiries regarding non-discrimination policies: ~~Brian Krey~~, Business Manager, 660 W. Daley, Street, Spring Green, WI 53588, 608-588-2551, ~~bkrey@rvschools.org~~ and ~~Lisa Kjos~~, Pupil Services Director, 660 Varsity Blvd., Spring Green, WI 53588, 608-588-2554, ~~lkjos@rvschools.org~~.

The district will carefully and systematically examine all of its employment policies and practices to be sure they do not either purposely or inadvertently operate to the detriment of any persons on any prohibited basis.

Application forms, hiring practices and personnel administration shall be periodically evaluated relative to equal opportunity employment. Discrimination complaints shall be processed in accordance with established procedures. The administrative staff shall be responsible for effectively implementing all nondiscrimination policies.

Reasonable workplace accommodations shall be made, upon request, for qualified individuals with a disability, unless such accommodations would impose an undue hardship to the District. Accordingly, the District will provide reasonable accommodations to qualified individuals with disabilities when such are directly related to performing the essential function of a job. An employee or applicant requiring a modified work environment as the result of a disability may request a reasonable accommodation. To request an accommodation, the employee or applicant may provide a request in verbally or in writing, which includes an option to complete and submit the Disability Accommodation Request Form, which will be available upon request. As part of this request, the employee or applicant may be required to provide medical verification of the need for the accommodation and may be required to sign an Authorization for Release of Medical Records to allow the District to communicate with the employee's health care providers. All information received during this process, whether written or verbal, will be kept confidential and disclosed only to those individuals who are relevant to the decision process. The District Administrator and Business Manager will review requests for accommodation. Approved accommodations will be reevaluated periodically to ensure that they remain necessary, reasonable, and effective.

PHYSICAL EXAMINATIONS AND TUBERCULOSIS SCREENING

The River Valley School District requires any candidate who has been offered employment, as a condition of employment, to submit to a physical examination, including a tuberculosis screening questionnaire subject to further tests, in order to determine the physical capacity to perform assigned duties pursuant to Section 118.25(2)(a), Wis. Stats. This physical examination may be taken at one of the three local clinics, two currently in Spring Green and one in Plain. The cost of the physical examination and tuberculosis screening as prescribed in Section 118.25, Wis. Stats., shall be paid by the School Board.

EMPLOYEE CLASSIFICATIONS

ADMINISTRATIVE EMPLOYEES - Staff with Individual Contracts under §118.24, Wis. Statutes and/or other supervisory administrative personnel exempt under the Fair Labors Standard Act (FLSA).

TEACHERS - Staff with Individual Contracts under §118.22 Wis. Statutes

NON-EXEMPT (Hourly) STAFF - Non-Exempt Staff without Individual Contracts under §118.22 and §118.24.

CO-CURRICULAR STAFF – A person hired on a limited basis to coach or advise a co-curricular program or activity.

SUBSTITUTE EMPLOYEES AND LIMITED TERM EMPLOYEES – Substitute and limited term employees are defined as persons hired on a limited basis to replace an employee during a leave of absence or for a specific project for a specific length of time. A substitute/limited term employee has no expectation of continued employment.

Fair Labor Standards Act Safe Harbor Policy

The River Valley School District intends to comply with all federal regulations with respect to the Fair Labor Standards Act (FLSA). In this regard, the FLSA provides an exemption from both minimum wage and overtime payment for employees employed in bona fide executive, administrative, professional and computer positions. To qualify for an overtime exemption, an employee generally must be paid no less than ~~\$23,660~~ ~~\$35,568~~ ~~\$43,888~~ a year or ~~\$455~~ ~~\$684~~ ~~\$844~~ per week on a salary basis. (This does not apply to teachers or certain medical personnel.) Certain exempt computer employees may be paid at least ~~\$455~~ ~~\$35,568~~ ~~\$43,888~~ a year or ~~\$684~~ ~~\$844~~ per week on a salary basis or on an hourly basis at a rate not less than \$27.63 an hour.

Being paid on a "salary basis" refers to an employee who regularly receives a predetermined amount of compensation each pay period on a weekly or less frequent basis which cannot be reduced because of variations in the quality or quantity of work. Subject to the exceptions listed below, an exempt employee must receive his or her full salary for any work week in which the employee performs any work, regardless of the number of days or hours worked. Exempt employees do not need to be paid for any work week in which they perform no work and will not be paid, unless appropriate accrued paid leave is utilized. If deductions are made from an employee's predetermined salary because of the employer's operating requirements, that employee is not paid on a "salary basis." If the employee is ready, willing, and able to work, deductions may not be made for time when work is not available.

~~Deductions from pay are permissible when an exempt employee is:~~

- ~~1. Absent from work for one or more full days for personal reasons, other than sickness or disability;~~
- ~~2. Absent from work for one or more full days due to sickness or disability, if the deduction is made in accordance with a bona fide plan, policy or practice of providing compensation for salary lost due to illness;~~
- ~~3. In receipt of amounts such as jury or witness fees; or~~

~~4. On an unpaid disciplinary suspension for one or more full days, imposed in good faith for workplace conduct rule infractions.~~

~~Also, the District is not required to pay an employee's full salary in the initial or final week of employment, for penalties imposed in good faith for infractions of safety rules of major significance, or for weeks in which an exempt employee takes unpaid leave under the Family and Medical Leave Act. In these circumstances, either a partial-day or full-day deduction may be made. Finally, as a public employer, the District operates under principles of public accountability, which permit deductions from the pay of an exempt employee for partial-day or full-day absences due to illness, injury, or personal reasons when accrued paid leave is not used by an employee because:~~

- ~~1. Permission for its use has not been sought or has been sought and denied;~~
- ~~2. Accrued leave has been exhausted; or~~
- ~~3. The employee chooses to use leave without pay, if such leave is available.~~

~~Deductions may also be permissible for budget related temporary layoffs.~~

Deductions from pay for employees who are required to be paid on a salary basis under the FLSA are permissible for:

1. Absences from work for one or more full days for personal reasons, other than sickness or disability;
2. Absences from work for one or more full days due to sickness or disability, if the deduction is made in accordance with a bona fide plan, policy or practice of providing compensation for salary lost due to illness;
3. To offset amounts received as payment from the court for jury and witness fees or from the military as military pay;
4. Penalties imposed in good faith for infractions of safety rules of major significance;
5. Family and Medical Leave Act absences (either full- or partial-day absences);
6. Absences due to unpaid disciplinary suspension for one or more full days, imposed in good faith for workplace conduct rule infractions;
7. The first or last week of employment in the event the employee works less than a full week; and
8. Any full work week in which the employee does not perform any work.

It is the District's policy to comply with the "salary basis" requirements of the FLSA with regard to exempt employees. The District will properly investigate and correct any improper payroll deductions or other payroll practices that do not comply with the FLSA. If an employee believes there is an improper payroll practice, or there has been an improper deduction from an exempt employee's salary, the employee should report it to the Human Resources Department, which will promptly investigate the matter. The employee will be promptly reimbursed for any improper deduction and no similar deductions will be taken from the complaining employee or any other

exempt employee's pay [who is paid on a salary basis](#). There will be no retaliation against any employee for reporting his or her concerns with respect to this policy.

JOB BENEFITS

The following benefits are provided to eligible Administrative Employees, Teachers, and Non-Exempt Hourly Staff. Co-curricular Staff, Substitute Employees and Limited Term Employees will be offered benefits required by state and federal laws.

Health and Dental Insurance

All employees who meet the requirements of the health insurance plan shall be provided the option of participating in a group health insurance plan. The Board shall designate the plan carrier and the level of the benefits offered. Those employees who choose not to participate in the group health insurance plan waive their right to this benefit until such time as a change in circumstances or open enrollment permits an employee to commence participation. The Board shall contribute 87.4% of premiums for family or single health insurance. Staff who work less than 30 hours per week and who were already enrolled in health insurance prior to July 1, 2014, will be grandfathered. The Board shall pay a prorated premium towards the cost of health insurance for staff working less than 35 hours per week. Prorated insurance calculations are available in the Human Resource Office.

Employees will have the option of participating in a dental plan. The Board shall designate the plan carrier and the level of the benefits offered. Those employees who choose not to participate in the group dental insurance plan waive their right to this benefit until such time, if any, as a change in circumstances or open enrollment permits an employee to commence participation. The Board shall contribute 95% of premiums for family or single dental insurance. The Board shall pay a prorated premium toward the cost of dental insurance for staff working less than 35 hours per week. Staff who work less than 30 hours per week and who were already enrolled in dental insurance prior to July 1, 2014, will be grandfathered.

Spousal co-workers (both spouses employed by the district or one spouse employed by the district and one spouse retired from the district and enrolled in the district's family health insurance plan) will be allowed to enroll in one family health and one family dental insurance plan. Enrollment is contingent upon at least one of the two spousal co-workers being eligible for the applicable benefit as set forth by board policy. The non-enrollee spouse will be considered a "dependent" under the enrollee's plan.

Spousal co-workers will be allowed to enroll in two separate single health and dental insurance plans provided that the cost of the two (2) single plans together is less than the cost of one (1) family plan and is allowed by the insurer. Enrollment for single insurance is contingent upon both of the two spousal co-workers being eligible for the applicable benefit as set forth by board policy.

Vision Insurance

Employees will have the option of participating in a vision plan. The Board shall designate the plan carrier and the level of the benefits offered. Those employees who choose not to participate in the group vision insurance plan waive their right to this benefit until such time, if any, as a

change in circumstances or open enrollment permits an employee to commence participation. The Board shall contribute 95% of premiums for family or single vision insurance. The Board shall pay a prorated premium toward the cost of vision insurance for all staff working less than 35 hours per week. Staff who work less than 30 hours per week and who were already enrolled in vision insurance prior to July 1, 2014, will be grandfathered.

Long Term Disability Insurance

The District will provide long term disability insurance to eligible employees based on the requirements of the carrier. The Board shall designate the plan carrier and the level of the benefits offered. The long-term disability income policy will provide a monthly benefit equal to 90% of the employee's monthly salary beginning on the 61st day of the disability.

Short Term Disability Insurance

The District will provide short term disability insurance to eligible employees at any time during their employment at the employee's expense. However, if sign up takes place 30 days after the date of hire, the employee is required to complete an Evidence of Insurability form to be considered. Forms and documents are available in Central Office from the Human Resource Specialist.

Life Insurance

Specific employees—Full time Administrators, Network Administrator, School Nutrition Supervisor, the Administrative Assistant, HR Specialist/Business Administrator, and AP/Bookkeeper— shall be entitled to a \$100,000 life insurance policy from the life insurance carrier selected by the board. The District will pay 100% of the premium. Income attribution for any tax liability associated with the provision of such life insurance shall be the sole responsibility of the employee.

WRS

The District participates in the Wisconsin Retirement System and pays the actuarially determined employer contribution for employees who are eligible to participate.

Benefit Option Program

The annual District contribution shall be \$6,261.00 or a prorated amount for part-time teachers based on the part-time employee's teaching contract percentage. Eligible employees are those teachers who were employed by the district on or before November 14, 2002, and whose spouse is also a district employee or whose spouse has health benefits elsewhere. The benefit option plan consists of either a tax-sheltered annuity or a monthly cash payment equal to the amount specified above. A complete list of available tax-sheltered annuity companies is available upon request from the District Central Office. After June 1, 2003, no additional employees will be permitted to enroll in this program.

Section 125 Plan

The District will provide a flexible reimbursement plan under the Internal Revenue Service Code Section 125. The provision of this plan is contingent upon the continuance of this benefit under

Internal Revenue Service Code Section 125. The Flexible Reimbursement Plan may be used for eligible expenses under the provisions of Internal Revenue Code Section 125.

403(b) Plan

All common law employees except student teachers and student workers are immediately eligible to make contributions to the 403(b) Plan under the Internal Revenue Service Code Section 403(b). Roth 403(b) contributions are not permitted.

The Plan will permit employees with 15 years of service to the District that satisfy the conditions for the Special Section 403(b) Catch-up Limitation for Employees With 15 Years of Service (Section 3.2 of the Plan) to increase their Elective Deferrals limitation.

The Plan will permit participants to make exchanges between vendors on the current vendor list, and the Plan will accept transfers from another employer's 403(b) plan. The Plan will permit transfers from the Plan to another employer's 403(b) plan, if requested by a former participant. The Plan will permit transfers from other eligible retirement plans. Hardship distributions are available under the Plan. Loans are not available under the Plan subject to availability and any additional conditions that may apply under a Participant's 403(b) Individual Agreement.

The Plan shall be administered jointly by the Employer and Vendors. A list of approved vendors is available from the Human Resource Specialist located in Central Office. Forms will be available in the same location.

Worker's Compensation

All employees shall be covered by Worker's Compensation Insurance. Any employee who is injured on the job shall report the injury to the District office prior to seeking medical attention if at all possible. In the event of an emergency, the employee shall notify the District office as soon as possible, but not to exceed twenty-four (24) hours after the occurrence of the injury.

If any employee is injured while in the performance of duties for the District, the District shall continue to provide worker's compensation insurance and the employee will be compensated in the following manner:

Up to Day Sixty (60) of Worker's Compensation Leave

The employee will be paid income equivalent to the income the employee would have earned had the employee not been injured. This provision will apply up until the sixtieth (60th) consecutive day of leave or as long as the employee has accumulated reimbursable leave available whichever occurs first. This income will be generated by combining worker's compensation insurance with prorated accumulated reimbursable leave as necessary through a deduction of one-third (1/3) of a day of reimbursable leave for each day while on worker's compensation.

Day Sixty-One (61) and Thereafter of Worker's Compensation Leave

The employee will receive her/his worker's compensation payment. The employee, subject to rules and regulations of the carrier, may be eligible for long-term disability leave.

River Valley School District is committed to providing a safe and healthy working environment for all employees. As part of this commitment, we shall make every reasonable effort to provide suitable temporary employment to any employee unable to perform his or her job duties as a result of an injury or illness. This may include a modification to the employee's original position or providing an alternative position, depending on the employee's medical restrictions, providing that this does not create an undue hardship to the River Valley School District. This program applies to all employees with injuries and/or illnesses.

Mileage

The authorized use of an administrator's personal vehicle in the administrator's exercise of the duties and responsibilities of his/her position shall be reimbursed at the rate approved by the Internal Revenue Service. For all other employees, the District shall pay mileage at the Internal Revenue Service mileage reimbursement rate for all travel done in their own vehicles concerning school business. A change in the mileage rate will become effective immediately when implemented by the IRS. This travel must be authorized by the administration. Administrative authorization of the trips can be provided before or after the use of the personal vehicle. Payment for the usage of the employee's personal vehicle will only be made if the District's automobile is not available or not applicable for the travel use desired.

Professional Dues

The District Administrator shall be entitled to have up to \$1,500 in dues/fees paid on an annual basis in addition to expenses for one national convention of his or her choice. Other full time administrators shall be entitled to have up to \$1000 in dues and fees. Part time administrators will be entitled to have up to \$500 in dues/fees paid on an annual basis.

Professional dues will also be paid to the State Associations for the School Nurse(s) and School Psychologist and other designated professionals determined by the District Administrator.

Cell Phone

The District believes cell phones are a necessity for all administrators due to the District's need to contact them at all times for work-related emergencies. The District will supply all administrators with a cell phone for work-related use.

LEAVE, HOLIDAY, AND VACATION BENEFITS

Any employee obtaining leave, holiday or vacation leave benefits by fraud, deceit or falsified statements shall be subject to disciplinary action including, but not limited to suspension or dismissal. If such conduct is suspected, the District may require a physician's statement to verify personal illness.

Reimbursable Leave

Twelve reimbursable leave days will be credited at the beginning of each fiscal year. The portion that is unused during the school year shall accumulate from year to year, with full time employees being allowed to reach a cumulative cap of 90 days. Reimbursable hours and

cumulative caps will be prorated for part-time employees. Annual leave shall accrue at the start of each new contract year in the District, except that, in the event an employee ceases employment, the leave shall be prorated based on the actual time worked as a percentage of a full-year contract. Employees must exhaust reimbursable leave before using dock pay for absences.

Employees on long-term disability or unpaid leave shall not accrue reimbursable leave except where required by law. Beginning the 2023-2024 school year, teaching staff will be paid \$50 and support staff will be paid \$25 for each reimbursable day remaining above 90 days at the conclusion of each school year.

Reimbursable leave is intended to provide staff a maximum of 12 days per school year to be used. Additional days may be approved by the District Administrator providing they fall within the following circumstances:

- Family Medical Leave
- Emergency Leave
- School Closings

Employees are not required to state a reason for the use of reimbursable leave days, but it is understood that they are not to be used for an inservice/workshop day, the day of the school fair, or to extend a weekend holiday, vacation recess, or a convention. All leave days that are requested for an inservice/workshop day, the day of the school fair, parent/teacher conferences, or to extend a holiday, vacation recess, or a convention will be subject to pre-approval of the District Administrator. All days that extend a holiday, vacation recess, or a convention will not be approved for reimbursement unless the leave is used for medical purposes, emergency situations, bereavement, or immediate family weddings as determined by the District Administrator who may require verification as appropriate. If the leave is used for medical purposes, a physician's statement will be required for reimbursement.

Cap at 10% of staff absent in each building on the same day, unless medical concerns warrant or if pre-approved through administration.

If an employee is absent for 3 or more consecutive contract days, the employee will be required to provide a written physician statement within 10 calendar days of returning to school to receive reimbursement. If no documentation is provided, the day will be docked in pay. If the absence is for reasons outside of medical or emergency leave, the employee must be granted pre-approval by the District Administrator to be absent additional days resulting in dock pay. In order to request approval, a written request must be submitted. Approval to use dock pay will also result in the deduction of a reimbursable leave day. Employees are required to state a reason for the use of docked pay days.

Employees that have completed at least five (5) years of local experience for the River Valley School District may be absent for three (3) consecutive contract days without dock in pay or a written physician statement on an annual basis. Pre-approval by the District Administrator for this leave is mandatory and must be made at least two (2) weeks in advance of taking such leave.

Employees that have completed at least ten (10) years of local experience for the River Valley School District may be absent for five (5) consecutive contract days without dock in pay or a written physician statement once every two (2) years (every other year). Pre-approval by the

District Administrator for this leave is mandatory and must be made at least two (2) weeks in advance of taking such leave.

Employees that have completed at least ten (10) years of local experience may not take five (5) consecutive contract days in addition to three (3) consecutive contract days in the same school year.

In the following situations—Bereavement, and Emergency Leave—employees may use up to 5 days per occurrence. Immediate family includes employee’s parents, siblings, and children. Pre-approval by the District Administrator for this leave is mandatory for these situations. Leave requested beyond the 5 days may be approved in extenuating circumstances at the District Administrator’s discretion.

No payment is made for unused reimbursable leave days, current or accumulated, at any time, unless otherwise indicated.

Requests for leave should be made at least two (2) working days in advance of taking such leave, except in the case of an emergency or illness.

Professional Leave

Professional leave will be granted when a staff person is completing a district required or district approved event or activity. Examples of professional leave include, but are not limited to attending a professionally relevant conference or clinic, a co-curricular activity where you serve as adviser or coach and you have students participating, IEP meetings, field trips, and/or you are attending an event that is requested by administration. Employees are required to state a reason for the use of professional leave days and must have prior approval from direct supervisor.

Vacation

Paid vacation will be provided to eligible 12 month employees at the beginning of each contract year. For **eligible** 12 month part time employees, paid vacation shall be prorated based on the number of hours worked per week during the current contract year.

12 month-~~administrators~~ **employees** will receive 20 vacation days per year upon employment.

~~Vacation days for all other eligible employees are accrued but allotted at the beginning of each contract year as follows:~~

~~All eligible employees:~~

~~Upon employment and at the beginning of year 2 = 5 days~~

~~At beginning of years 3, 4, 5, 6, 7, 8 = 10 days~~

~~At beginning of years 9 and all subsequent years = 15 days~~

~~For eligible staff hired prior to July 1, 1998 = 20 days~~

~~Requests for vacation time shall normally be made and approved at least two (2) weeks before taking such leave. However, vacation time requested with less than two (2) weeks' notice may be approved by the District Administrator and/or her/his designee.~~

No employee may be denied the ability to take all of her/his ~~accrued~~ vacation ~~during a twelve-month period~~, but the District Administrator and/or her/his designee shall have the right to schedule vacations on a first-come, first served basis, as necessary to accomplish work objectives. Employees are encouraged to take vacation during school recess periods ~~unless special arrangements have been made by the employee and her/his immediate supervisor or her/his designee.~~

Employees may not receive cash payment for any ~~accumulated unused~~ vacation time. Vacation time must be used by August 31 following the previous contract year (i.e. for a contract issued July 1, 2011 and ending June 30, 2012, vacation days from that contract must be used by August 31, 2012).

The entire allotment of vacation days is given at the beginning of the contract year. ~~However, if employment ends before the end of the contract year, the employee shall be required to reimburse the District for unearned days that were used.~~ Conversely, any employee who terminates her/his employment for any reason, other than discharge, shall be entitled to payment for ~~earned~~ days that were not used.

A paid holiday is a day off with pay for the number of hours the employee normally works. Paid holidays will be provided to employees according to the following schedule:

12-Month Full-Time and Part-Time Employees:

1. Labor Day
2. Thanksgiving
3. Day After Thanksgiving
4. Christmas Eve Day
5. Christmas Day
6. New Year's Eve Day
7. New Year's Day
8. Friday in Spring
9. Memorial Day
10. Independence Day

12-month part-time employees shall receive prorated holiday pay for each of these holidays based upon the number of hours the part-time employee normally works.

Teachers

1. Labor Day
2. Memorial Day

Part time teachers shall receive prorated holiday pay for each of these holidays based upon the number of hours the part time teacher normally works.

9-Month Full-time and Part-Time Employees (Non-Exempt Hourly Employees):

2. Thanksgiving
3. Christmas Day
4. New Year's Day
5. (1/2 day) (Afternoon of a Friday in Spring)
6. Memorial Day

9-month part-time employees shall receive prorated holiday pay for each of these holidays based upon the number of hours the part-time employee normally works.

If an employee is scheduled to work more than a school year but less than a full calendar year, the employee(s) shall be entitled to all holidays listed above that fall within the employee's scheduled work week.

Any holiday falling on a weekend will be credited during the pay period in which it falls.

Non-Exempt Hourly employees who are called to work on any of the above-mentioned holidays shall be paid time and one-half for all hours worked in addition to being paid for the holiday. Should a paid holiday fall during an employee's vacation period, the employee shall be allowed to take an additional day of vacation in lieu of such holiday.

In order to be eligible for holiday pay an employee must work their scheduled workdays immediately preceding and following the holiday, unless the employee is on an approved absence.

Jury Duty

All employees summoned for jury duty shall, at the employee's option, receive full pay while summoned for or serving on a jury on their regular workdays for as much time as she/he is summoned by the court. Any employee who exercises this option must, in order to receive full pay, turn in to the District any compensation, excluding any mileage or meal allowance, received for such duty.

An employee must notify her/his immediate supervisor as soon as notice of jury duty is received. Also, the employee is expected to contact her/his immediate supervisor immediately upon termination of jury duty or when temporarily relieved of jury duty.

Military Leave

Employees shall be granted military leave in accordance with applicable federal and state laws.

Family and Medical Leave

It is the policy of the River Valley School District to comply with all applicable state and federal laws concerning child-rearing, personal illness or family illness leave.

Leaves provided by the District, which are taken for the same reasons as leaves covered by the FMLA are not in addition to leave provided under the FMLA. If leave qualifies for family or medical leave under both the federal and state laws, the leave used counts against the employee's entitlement under both state and federal FMLAs concurrently. Leave covered by the FMLA will

be deducted from the annual entitlement under the FMLA. When paid leave (reimbursable days) is substituted for unpaid leave under either or both FMLAs, the substitute leave will be counted as leave taken under the relevant law or laws.

Absence From Work – Duty to Report

Any employee who is unable to report for work at the beginning of his/her workday shall notify the designated office or person (of every building he/she reports for that day) as soon as it is possible. All staff will provide adequate substitute plans so that the normal processes will continue in his/her absence.

Extended/Unpaid Leave of Absence

Any staff member may request a voluntary leave of absence from employment to the District Administrator. If there is a recommendation for approval by the District Administrator, the request shall be presented to the Board. All requests for unpaid leaves will provide the reason for the leave and the expected duration of the leave.

If the leave is approved, by the District Administrator and the Board, the Board action will also provide the conditions applicable for the staff member to return to work. This policy does not serve as a guarantee of any job protection for leave beyond otherwise legally-protected leave. Unless otherwise noted, leaves extending through the end of the school year require written notice by the staff member of his/her intent to return or resign for the subsequent school year. Said written notice must be provided to the District Administrator no later than March 1 of the current school year. Written notice regarding intent to return or resign effective second semester is required by November 1 for leaves ending at the end of first semester.

Any staff member granted a leave of absence by the Board shall be considered to have stopped performance of all work with the District until the completion of the leave. Exceptions may be made by the District Administrator in cases where the best interest of the District might be served.

During the term of the leave, an employee may retain all or part of his or her benefits subject to the eligibility rules and regulations of the carrier by remitting to the District 100% of the cost.

Absence Without Leave

No employee may absent himself/herself from duty without permission of his or her supervisor. Absence without leave shall be reason for discharge. Any employee absent for three consecutive working days without notice may be considered to have resigned from District service.

Teaching Staff

The teacher shall be on the teaching premises for eight hours. The teacher is expected to stay on the teaching premises until 3:30 p.m. or until the last buses have left, whichever is later. The Board shall grant each teacher who works more than 4 hours/day a thirty (30) minute duty free lunch period daily which shall be at or near the time of the regular school lunch period. It is understood that teachers shall not be required to assume duties during this period of time; however, in time of emergency, it is also understood that it will be necessary to follow emergency procedures (Code Blue, tornado, fire drills, bomb threats, etc.)

(Delayed start and early release days will be counted as a full day and no time will need to be made up)

B. A 12-Month employee will make up his/her lost time by choosing one of the following:

1. Work their normal contracted hours
2. Use reimbursable leave
 - a. Leave used for school closings due to inclement weather can be taken from accumulated reimbursable leave (banked days)

“GROW YOUR OWN” TUITION REIMBURSEMENT PROGRAM

Any employee that has a license ~~to teach~~ with stipulations from the Department of Public Instruction is eligible to request a tuition reimbursement agreement from the District for the tuition costs associated with getting a license without stipulations from the Department of Public Instruction.

Approval of such a request shall be at the sole discretion of the District.

Receipt of tuition reimbursement will require the employee to enter into a tuition reimbursement agreement with the District which, as stated in the agreement, will obligate the employee to repay certain amounts to the District if the employee fails to timely receive a license without stipulations, or if the employee's employment with the District ends prior to the fifth anniversary of the date of completion of the employee's program to receive a license without stipulations.

This work, not including conferences, will be paid at the rate of twenty-two dollars (~~\$22.00~~) (\$____) per hour. Non-Exempt Hourly staff members will be reimbursed based on the wages and hours of their employment contract or agreement.

TEACHING LOAD

The normal teaching load for middle school and high school is 6 assignments per day during an 8 period day, and 6 assignments over two days during a 4 period/modified block schedule, in addition to any homeroom/intervention/Blackhawk period to which a teacher is assigned. Assignment of the above classes shall be at the discretion of the Administration. Teacher salary and benefits will be prorated based on the percent of time a teacher is scheduled for work.

Whenever conditions require a teaching load in excess of that provided herein, the teacher shall receive additional compensation equivalent to fourteen and two-sevenths per cent (14.2857) of that teacher's salary for each assignment beyond those provided herein and will be paid only to those teachers who give up their preparation period with their approval.

Classroom teachers in Grades PK-5 will be guaranteed weekly preparation time during specials (i.e. music, art, P.E, L.M.C.) of not less than 210 minutes total. All other teachers in grades PK-5 will be guaranteed weekly preparation time of not less than 210 minutes. Acceptance of this

SUBSTITUTE/HOME BOUND

Substitutes shall be hired if possible in all cases when teachers (including special teachers) are absent. In the event a substitute cannot be found and a regularly employed teacher is asked to substitute, he/she shall receive compensation at the rate of twenty-two dollars (\$22) per class period during an 8 period day and \$44 per class period during a 4 period/modified block schedule day during their prep period and/or duty free lunch period.

If a teacher provides Homebound Instruction outside of the school day, the pay shall be at a prorated per diem rate. Mileage shall be paid at the IRS rate.

EXTENDED CONTRACTS

Teachers shall be issued a separate contract for days beyond the school year calendar. The District Administrator and/or his/her designee shall designate such teachers. Pay for the additional days agreed upon shall be based on the rate of twenty-seven dollars (\$27) per hour.

PROBATION

Teacher

All newly hired teachers shall serve a probationary period for 8 quarters. This may be extended for an additional 4 quarters if deemed necessary by the building administrator or their evaluator and approved by the board.

Non-Exempt Hourly Employees

Non-Exempt Hourly Employees will serve a probationary period of 60 working days. By mutual agreement between the employee and their supervisor, this may be extended to 90 working days, if the employee receives a less than satisfactory evaluation during the employee's initial 60 working days probationary period.

TEACHER ACTION PLAN

1. An Action Plan can be developed at any point during the school year.
2. The WI Department of Public Instruction has indicated that the Educator Effectiveness system can be used as one piece of data to inform local human resource decisions.

3. An action plan shall be based on objective (observable or measureable) evaluative information focusing on a performance deficiency or deficiencies and should be clearly defined and detailed in the plan.
4. An action plan shall include the following elements:
 - a. A detailed description of the behavior or behaviors in question.
 - b. A rationale connecting the performance deficiency or deficiencies described in (a) above to Standards for Nonrenewal of Teachers described in the Employee Handbook.
 - c. A detailed list of actions that the teacher and administrator will take to correct the performance deficiency or deficiencies in question.
 - d. A timeline that includes both parameters regarding the anticipated beginning and end date of the action plan (this does not preclude an extension if the Administrator believes an extension is necessary) and when the teacher and administrator will meet during the action plan process (no less than monthly) to review progress and provide corrective feedback.
5. The development of an action plan does not preclude disciplinary action as sometimes certain issues may not fall into one category or another. As an example, a teacher's difficulty in maintaining a classroom environment conducive to learning may also result in a child being injured because of inadequate supervision. An action plan designed to assist the teacher in maintaining the classroom environment would not preclude the Administration from issuing a letter of reprimand for that specific incident.
6. A signature denoting receipt of the action plan from all parties involved including, at a minimum, the Teacher, his or her representative if desired, the Administrator, and the District Administrator.
7. A teacher has the right to file a written reply or response to the action plan and that reply or response can be placed in the teacher's personnel file upon request.

STANDARD FOR DISCIPLINE AND TERMINATION

A non-probationary employee may be disciplined or terminated for "cause." Such discipline or termination shall be subject to the grievance procedure provisions of this Handbook. "Cause" is defined as the following:

- A. There is a factual basis for the discipline or termination:

The factual basis must support a finding of employee conduct in which the District has a disciplinary or termination interest; and

- B. Reasonableness of the penalty:

The particular discipline or termination imposed by the District must not be unreasonable.

In the event of misconduct, the District reserves the right to discipline, and, if necessary, terminate any employee in accordance with this Handbook, District Policy, and any applicable state statutes.

Discipline may result when an employee's actions fall short of generally accepted standards of professional behavior or violate a policy or rule, when an employee's performance is not acceptable, or the employee's conduct is detrimental to the interests of the School District. Typically, disciplinary action will involve these four steps: verbal reprimand, written reprimand, suspension with or without pay, and termination of employment, however, specific disciplinary actions will depend on the behavior and frequency of occurrences. Some serious employee behaviors may lead to suspension or termination without following the progressive discipline steps. The District reserves the right to impose disciplinary action as may be appropriate in particular circumstances.

The following standards apply:

Copies of any disciplinary material(s) shall be provided to the employee before or at the same time such material is placed in an employee's personnel file. The employee shall have the opportunity to reply to such materials and affix his/her reply to said material as stipulated in Section 103.13, WI Stats.

REPRESENTATION

In the event the employee chooses to have representation, the meeting may be delayed, at the discretion of the District, until appropriate representation may be obtained. Nothing in this provision shall prevent the District from removing an employee from the workplace if immediate action is required.

STANDARD FOR NON-RENEWAL OF TEACHERS

Teachers employed in the District are subject to non-renewal on a statutory basis, as prescribed in Sec. 118.22, Wis. Stats. Such non-renewal shall be exclusively subject to the provisions of section 118.22, Wis. Stats. and is not covered by the grievance procedure under this Handbook.

118.22 Wis. Stats. sets out the procedures the district must follow in order to non-renew a teacher's contract. In order to demonstrate that its decision is performance based, the District must give the teacher notice that their performance is perceived as deficient and advise the teacher as to why his or her performance is not deemed acceptable.

Performance deficiencies include:

1. Not following the DPI Educator Effectiveness Model;
2. Deficient subject matter knowledge;
3. Lack of adherence to applicable standards;

4. Inability to maintain a classroom environment conducive to learning; and
5. Inability to maintain professional human relation skills.

Thus, in addition to notice of the perceived deficiencies, the Administration shall give the teacher advice as to how to correct the performance concerns and time to correct them. If the teacher fails to improve sufficiently in meeting the identified performance concerns, the administration shall make a recommendation to the Board to non-renew unless the non-renewal is contrary to public policy or is motivated by the fact that the teacher is a member of a protected group as identified in the WI Fair Employment Act or Federal Law. A majority vote of the full Board (5 votes) is required to non-renew a teacher's contract.

REDUCTION IN FORCE - TEACHERS

It is the Board's intention to provide reasonable continuity of employment to all regular full and part time employees. However, the Administration may recommend to the Board that a reduction in the workforce is necessary when one or more of the following circumstances are present:

- a. A decrease in student enrollment within a specific grade level, program area or within the School District.
- b. Loss of operating revenues.
- c. An elimination of a program(s) or change in delivery of services.
- d. The return of a teacher from a leave of absence.
- e. Other legitimate reasons which the Administration, upon its discretion, determines that a reduction in staff is required.

Selection for Reduction

In the implementation of staff reductions under this section, individual employees shall be selected for full or partial layoff in accordance with the following steps:

A. Step One - Attrition:

Normal attrition resulting from employees retiring or resigning will be relied upon to the extent that it is administratively feasible in implementing reducing staff.

B. Step Two - Volunteers:

Volunteers will be solicited prior to reduction. Requests for volunteers will be sent to employees within the job classification(s), grade level(s), program area(s), department(s), and/or certification area(s) identified for a reduction. An employee who volunteers under this section must put his/her request in writing and submit it to Central Office within 5 working days of the District's notification. Volunteers will only be accepted by the District if, in the District's opinion, the remaining employees in the job classification are licensed and qualified to perform the remaining work. Volunteers will be treated as a District directed

layoff under this section of the Handbook, and the District will provide the volunteer(s) with a written confirmation of layoff.

C. Step Three - Selection For Reduction/Layoff:

The Administration will recommend to the Board employee(s) identified for layoff. The Administration shall utilize the following criteria, which are all equal in importance, for determining the employee(s) for layoff:

- a. Educational Needs of the District.
- b. Qualifications of the Remaining Employees in the Certification Area, Department or Classification:

Relevant qualifications will be those experiences and training that best relate to the position(s) to be maintained and District needs as determined by the Administration subject to final Board approval. These experiences shall include, but are not limited to, length and range of an employee's experience both within and outside the District, the range of skills, certification or licensure, additional training, educational attainment, performance evaluation, and professional investment to the District outside the employee's immediate role.

REDUCTION IN FORCE, POSITIONS & HOURS - NON-EXEMPT HOURLY EMPLOYEES

Reasons for Layoff

In the event the Administration determines to reduce the number of positions (full layoff) or the number of hours in any position (partial layoff), the following shall apply. Layoffs shall be made only for reasons asserted by the Administration.

Layoff Notice

The Administration will give at least ten (10) working days notice of layoff. The layoff notice shall specify the effective date of layoff and the reasons for the layoff.

Selection for Reduction

Individual employees shall be selected for layoff according to the following steps:

1. Attrition:

Normal attrition resulting from employees retiring or resigning will be relied upon to the extent that is administratively feasible in implementing layoffs.

2. Volunteer(s):

The District will provide the volunteer(s) with a layoff notice. Requests for volunteer(s) will be sent to Non-Exempt Hourly employee(s) within each job category. An employee who volunteer(s) to be laid off will put her/his request in writing. Volunteer(s) will only be accepted by the District if, in the District's opinion, the remaining employee(s) in the job category are qualified to perform the remaining work.

3. Selection for Reduction/Layoff:

The needs of the district will determine which employee(s) are selected for layoff or reduction in hours.

Reduction in Hours

Employees who are reduced in hours shall not lose any benefits they have accrued. Benefits are defined as reimbursable leave and vacation. Economic provisions will be-prorated after reduction.

**ADMINISTRATOR DISCIPLINE AND DISCHARGE
UNSATISFACTORY PERFORMANCE**

Administrators whose performance is deemed unsatisfactory may be nonrenewed under the procedures described in Wis. Stat. sec. 118.24.

In lieu of discharge or nonrenewal, the Board, in their discretion, may elect to pursue other remedial options including but not limited to the establishment of performance plans, demotion, salary or wage reduction or attendance at conferences or programs intended to assist the employee in the performance of his or her responsibilities.

Termination

Contracts will, at the Board's discretion, expire on the date of the death of the Administrator, the expiration date of the Administrator's contract, or the end of any month in which any of the following events occur:

- A. Inability of the Administrator to perform the essential functions of his or her position.
- B. Any misstatements, misrepresentations or omissions of material fact on the application form and/or during any interview for the position for which the Administrator was hired.
- C. Misconduct.

Administrators may be dismissed by the Board for reasons which are not arbitrary or capricious provided that the Administrator has received written notice from the Board of its intent to dismiss and the reason or reasons for dismissal. Dismissal is subject to the grievance procedure.

Termination by Mutual Consent

Upon mutual written agreement by the Board and the Administrator, employment of the Administrator may be terminated without penalty or prejudice against either the Board or Administrator. In this event, the Board shall pay the Administrator all remuneration and benefits accrued, but unpaid, during the period of employment immediately prior to such termination.

Liquidated Damages

In the event the Administrator breaches his or her contract by termination of services during the term of his or her contract, the sum of \$1,800 is determined to be the reasonable liquidated damages which the parties, looking forward, reasonably anticipate will follow such a breach. Liquidated damages will be reduced by 50% if the Administrator seeks release from his or her contract at least 30 days prior to the requested release date and continues to actively work in his or her position during that time (leave may not comprise any of that time). Nothing in this section shall be construed to require the Board to grant an Administrator a requested release during the term of his or her contract.

The following employees who terminate their employment with less than 30 days notice shall be assessed the following in liquidated damages:

School Nurse (60% or 100% positions) \$500
Network Administrator \$800

GRIEVANCE PROCEDURE

Grievances may be filed in accordance with the procedures described in this section with respect to discharge, discipline or issues pertaining to workplace safety. Any employee may initiate a grievance. A representative of his or her choice may represent an employee at all stages of the grievance procedure.

Definitions

1. **Grievance:** A complaint arising from termination, discipline or issues pertaining to workplace safety.
2. **Bifurcation:** Splitting the case into more than one element to deal with issues independently. Example: If a grievance has a timeliness issue, it may be addressed prior to the violation being grieved.
3. **Consolidation:** For multiple grievances which relate primarily to the same subject matter or issue, the joining of the grievances for procedural and hearing purposes.
4. **Days:** Unless otherwise specifically stated, for purposes of this policy, shall mean calendar days. The time limits provided for herein are substantive and a grievant's failure to process a grievance within the time limits stated herein shall be deemed a waiver and settlement of the grievance unless, if mutually agreed upon by both parties in writing, time limits are waived or extended.
5. **Employee:** All employees of the District. For employees in collective bargaining units, the grievance procedure in any collective bargaining agreement that predates this policy shall supersede this policy for the duration of the agreement.
6. **Employee Discipline:** Includes suspension (either paid or unpaid) or a reprimand that is placed in the personnel file. Employee discipline does not include letters of performance expectations or performance improvement plans, evaluations or performance reviews of employees, transfers, demotions or changes in job assignments or placement on paid administrative leave such as during an investigation pending a decision leading to discipline.
7. **Termination:** Discharge from employment for rule violations, unsatisfactory performance or misconduct. Termination does not include voluntary quit, layoff and/or workforce

reduction, failure to be recalled from layoff, job abandonment (e.g., failure to report for work or return from a leave), resignation in lieu of discharge, termination due to lack of appropriate licensure, medical condition or other inability to perform job duties, end of employment of a temporary, seasonal or contract employee, retirement or nonrenewal under Wis. Stat. secs. 118.22 or 118.24.

8. Workplace Safety: A violation of a state or federal regulation on health and/or safety standards in the workplace that is applicable only to the safety of an employee or employees and not the endangerment of property.

Procedure

Employees are encouraged to attempt to resolve disputes informally with their immediate supervisor. However, informal attempts to resolve disputes shall not impact the timeliness requirements of the grievance process in the absence of mutual written agreement.

Initial Filing

Discipline and Termination

In cases of termination or discipline, the employee must file his or her grievance on the form provided by the District with the District Administrator within ten (10) days of the date the notice of discharge or discipline, was sent or given.

The District Administrator shall either refer the grievance to the grievant's building principal or other administrative supervisor (e.g., the Business Manager, HR Director, etc.) within 3 business days of receipt of the grievance or shall, in his or her discretion, personally handle the matter. The administrative supervisor or District Administrator shall meet with the grievant and/or the grievant's designated representative within 10 days after receiving the written grievance. The administrative supervisor or District Administrator shall respond in writing to the written grievance within 10 days of the meeting or, if the administrative supervisor or District Administrator determines that further investigation is warranted, at a later date as determined by the administrative supervisor or District Administrator but in no event later than 60 days after receiving the written grievance. If further investigation is warranted, the administrative supervisor or District Administrator shall notify the grievant in writing of the investigation within 10 days of the meeting.

If the grievant is not satisfied with the written response, the employee must request in writing a hearing within 10 days of the date the response, was sent or given. If no written response is provided in the above timeframe, the employee must request in writing a hearing within 15 days of the meeting with the administrative supervisor or District Administrator or, if the administrative supervisor or District Administrator has notified the employee of a further investigation, within 65 days of the date of the notification. The request for a hearing shall be on a form or forms provided by the District and shall be filed with the District Administrator.

Workplace Safety

For issues pertaining to workplace safety, the employee must first bring the safety concern to his or her immediate supervisor in writing within 10 days of the date on which the issue arises. The supervisor shall respond to the concern in writing within 10 days.

If the employee is not satisfied with the response, the employee shall file his or her grievance on the form provided by the District with the District Administrator within 5 days of the date the supervisor's response was sent or given or, if no written response is received from the employee's immediate supervisor, within 15 days of the date of the filing of the concern with the immediate supervisor.

The District Administrator shall either refer the grievance to the grievant's building principal or other administrative supervisor (e.g., the Business Manager, HR Director, etc...) within 3 business days of receipt of the grievance or shall, in his or her discretion, personally handle the matter. The administrative supervisor or District Administrator shall meet with the grievant and/or the grievant's designated representative within 10 days after receiving the written grievance. The administrative supervisor or District Administrator shall respond in writing to the written grievance within 10 days of the meeting or, if the administrative supervisor or District Administrator determines that further investigation is warranted, at a later date as determined by the administrative supervisor or District Administrator but in no event later than 60 days after receiving the written grievance. If further investigation is warranted, the administrative supervisor or District Administrator shall notify the grievant in writing of the investigation within 10 days of the meeting.

If the grievant is not satisfied with the written response, the employee must request in writing a hearing within 10 days of the date the response, was sent or given. If no written response is provided in the above timeframe, the employee must request in writing a hearing within 15 days of the meeting with the administrative supervisor or District Administrator or, if the administrative supervisor or District Administrator has notified the employee of a further investigation, within 65 days of the date of the notification. The request for a hearing shall be on a form or forms provided by the District and shall be filed with the District Administrator.

Administrative Supervisors

In the event an administrative supervisor has a grievance, he or she shall file the initial grievance, whether the grievance pertains to termination, discipline or workplace safety, with the District Administrator, who shall process the grievance utilizing the same timelines and procedures as are set forth above for grievances from other employees grieving discipline or discharge.

District Administrator

Grievances by the District Administrator shall be filed with the President of the School Board and the Board will exercise the same functions as are exercised by administrative supervisors or the District Administrator for grievances filed by other employees. The same timelines and procedures shall apply except that, if the District Administrator is not satisfied with the Board's written response, the request for a hearing shall be filed with the President.

Consolidation of Grievances

In the event more than one employee files a grievance related to the same facts or subject matter, the grievances may be consolidated.

Hearings

Within 15 days of the District Administrator or Board President receiving the hearing request or

the next regular Board meeting, whichever is later, the School Board shall appoint an impartial hearing examiner to hear the grievance. The impartial hearing officer shall be an attorney licensed to practice law in the State of Wisconsin or other individual with experience and expertise in public sector labor relations.

Upon appointment, the hearing officer shall set a hearing date, and inform both the employee and the District Administrator of the hearing date. If the District Administrator is the grievant, the hearing officer shall notify the Board President. The hearing shall be held within 30 days after appointment of the hearing officer. In the event of a bifurcated hearing, the first hearing shall be held within 30 days after appointment of the hearing officer.

The hearing officer shall conduct the hearing informally and impartially in such manner as he or she deems best calculated to ascertain the correctness of the allegations of the grievance. The District may request bifurcation of the grievance if timeliness or other issues not relating to the merits of the case are in question. A record shall be made of the hearing in such form as the hearing officer determines is appropriate but shall, at a minimum, include an audiotape of the hearing and preservation of all written materials presented at the hearing.

The hearing officer will abide by the following guidelines:

1. Rules of evidence and procedure as applicable in civil and criminal cases do not apply. (Example: A second party may share what they heard, which could be considered “hearsay” in other legal proceedings.)
2. The scope of authority is limited to the issue in question of the specific case. A broad decision that would bring into play other policies and issues is not within the authority of the hearing officer.
3. The grievant shall have the burden of proof on all issues.

The hearing officer shall have the authority, after having heard whatever evidence he or she deems sufficient, to act as follows:

- a. Uphold the termination of the employee.
- b. Uphold the discipline imposed on the employee.
- c. Reduce the original penalty.
- d. Dismiss the grievance.
- e. In work safety cases, if the hearing officer determines that a safety hazard exists, the hearing officer may enter such orders as are reasonably necessary to remedy the safety hazard or, if the hearing officer determines that no safety hazard exists, may dismiss the grievance.
- f. In discipline and termination cases, if the hearing officer determines, based on an arbitrary and capricious standard, that the evidence does not support the disciplinary action taken or the termination, the employee may be reinstated, and the hearing officer may order that the employee be paid and/or reimbursed for all or part of his or her salary and benefits, may order that a letter, indicating that the disciplinary action was reversed and that the specific charge should not be considered in any future actions, be placed in the employee’s personnel file, or may order that the employee’s personnel file be expunged of all material relating to the discharge or discipline or any combination of the foregoing.

- g. The hearing officer's decision shall be in writing and shall be served by first class mail upon the grievant and the District Administrator or Board President and representatives for the grievant and District, if any.

The grievant or, on behalf of the District, the District Administrator or Board President, may appeal the hearing officer's decision to the School Board. Any appeal of the hearing officer's decision shall be made in writing on a form or forms provided by the District within 15 days of the date of the hearing officer's written decision.

The Board shall review the record of the hearing within 30 days of the receipt of the appeal and issue a written decision within 10 days thereafter. The Board shall have the right to affirm, modify or overrule the hearing officer's decision in whole or in part or it may remand the grievance to the hearing officer with directives as determined to be appropriate by the Board.

The Board shall not hold any hearing or accept any additional information or evidence on the grievance but shall base its decision exclusively on the record of the hearing. The Board may, in its exclusive discretion, permit written arguments to be filed by or on behalf of the grievant or District Administrator or President. If written arguments are permitted, the appeal timeline for review of the record shall be extended from 30 to 90 days.

The decision shall be served by first class mail upon the employee, the District Administrator or Board President, and their representatives, if any.

LIQUIDATED DAMAGES

Teaching Staff

If an employee breaches said contract by failing to appear, unless excused from the District Administrator or resigns before the end of the term hereunder, no further salary installments will be due. After a contract is executed by both parties, no resignation will be accepted without the approval of the School Board.

The Board may refuse to accept a resignation or may condition acceptance of a resignation on the payment of liquidated damages to help cover the District costs for seeking a replacement according to the following schedule:

\$750 on or after June 16
\$1,500 on or after July 1
\$3,000 on or after August 1

The Board reserves the right to waive the aforementioned damages in the event of extenuating circumstances (e.g., health reasons, incapacity, negotiated resignation, etc.).

VACANCIES AND TRANSFERS - NON-EXEMPT HOURLY EMPLOYEES

Job Posting

Whenever a position becomes vacant, as determined by the District, or a new position is created, notice of such available position will be posted and communicated via email to all District staff. Internal staff interested in the vacancy will have five (5) days from the date of the posted

vacancy to send a letter of interest or email to his/her current Building Administrator, Prospective Building Administrator, Business Manager, and District Administrator. However, on or after July 1, the District may shorten the posting timeline at its discretion due to the proximity to the start of the school year.

The vacancy also may be posted externally concurrently. The District retains the right to temporarily fill vacant positions at its discretion. The notice shall include the date of posting, qualifications required for the position, and the anticipated start date.

A qualified internal candidate who applies for a vacant position, prior to the end of the posting period for internal applicants, will be granted an interview for the position. The District Administrator and/or his/her designee(s) retain the right to select the most qualified internal or external applicant for any position.

Applicant Selection

The Administration retains the right to select the most qualified applicant for any position based upon the stated job descriptions (this restriction does not prohibit the Administration from considering qualifications related to the position and that exceed those minimum qualifications listed in the job description(s)). The term applicant applies to both internal and external candidates for the position.

Involuntary Transfers

No employee will be involuntarily transferred by the Administration without a conference followed by a written notice from the District Administrator which will include the reasons for the transfer.

Voluntary Transfers

An employee who desires a change that is posted or who desire a transfer to a position that is posted to another building, may file a written statement of such desire with the District Administrator within the posting period. Such statement shall include the position to which the employee desires to be assigned and the school or schools to which he/she desires to be transferred, in order of preference.

VACANCIES, TRANSFERS AND REASSIGNMENTS - TEACHING STAFF

Job Posting

Notices of vacancies, including extracurricular positions, will be posted for a period of up to fourteen (14) calendar days on the official bulletin board in each school, on the District's web site and emailed to teaching staff. Internal candidates will be given first consideration for any vacancy before external candidates are considered, but they will not be guaranteed a transfer or new position. Vacancies are positions open by retirement, termination, and/or resignation.

Such notices shall contain the date of posting, a description of the position, name, and location of the school, requirements of the position, name of the person to whom the application is to be

returned, and date by which the application is to be returned.

Voluntary/Involuntary Transfer/Reassignment

If the District Administrator in his/her reasonable judgment so determines, such a transfer or reassignment may be made.

Reasons for such action will be presented in writing to the teacher(s) involved.

A teacher transferred or reassigned, will maintain his/her accumulated length of service for consideration in staff reduction.

No employee will be involuntarily transferred by the Administration without a conference followed by a written notice from the District Administrator which will include the reasons for the transfer.

Teachers who desire a change that is posted in grade and/or extra duty and/or subject assignment or who desire a transfer that is posted to another building, may file a written statement of such desire with the District Administrator within the posting period. Such statement shall include the grade and/or extra duty and/or subject to which the teacher desires to be assigned and the school or schools to which he/she desires to be transferred, in order of preference.
