|  |             |                                     |
|--|-------------|-------------------------------------|
| <b>Clay Camp at Adamah Art Studios: Youth Session (ages 7-12)*</b><br>Limit 15 campers   | <b>\$75</b> | June 28, 29, 30<br>9:00- 11:00 a.m. |
| The youth session runs for 2 hours with a snack break. We will focus on hand building techniques to make both sculptural and functional pieces. Artists could build forms using: pinch pots, slabs, coils, hump molds, additive and subtractive methods, texture tools, etc.   |             |                                     |
| <b>Painting and Glazing at Adamah: Youth Session (ages 7-12)*</b>  |             | July 3<br>10:00- 11:00 a.m.         |
| After our ceramic pieces have been fired in the kiln, we will have the opportunity to glaze or paint our projects.   |             |                                     |
| <b>Clay Camp at Adamah Art Studios: Preteen/teen Session (ages 11-18)*</b><br>Limit: 15 campers  | <b>\$90</b> | June 28, 29, 30<br>12:00- 3:00 pm   |
| The preteen/teen session runs for 3 hours with a snack break. We will focus on wheel throwing and trimming in addition to hand building techniques to make both sculptural and functional pieces. This session is designed for artists with ceramic experience and the stamina to work independently for longer periods of time. |             |                                     |
| <b>Painting and Glazing at Adamah: Preteen/teen Session (ages 11-18)*</b>  |             | July 3<br>12:00- 2:00 pm            |
| After our ceramic pieces have been fired in the kiln, we will have the opportunity to glaze or paint our projects.   |             |                                     |
| * Children age 11 and 12 may only sign up for one session  |             |                                     |
| <b>Please join us for a showcase of our creations on July 27 from 11:30-noon</b> at the Wyoming Valley School Cultural Arts Center, 6306 State Road 23, Spring Green, WI 53588. Light refreshments provided.   |             |                                     |

|   |             |                                     |
|---|-------------|-------------------------------------|
| <b>Mystery Box Sculpture Challenges At Wyoming Valley School (ages 7 -18)</b><br>Limit: 20 campers  | <b>\$50</b> | July 23, 24, 25<br>9:00 a.m.- noon. |
| Strange and unique materials will challenge students to be creative in remodeling preexisting objects into presentable works of art in this found object sculpture camp. Science, Technology, Engineering, Art and Math skills will be utilized as <u>student</u> engage in both independent and collaborative projects.  |             |                                     |
| <b>Please join us for a showcase of our creations on July 27 from 11:30-noon</b> at the Wyoming Valley School Cultural Arts Center, 6306 State Road 23, Spring Green, WI 53588. Light refreshments provided.  |             |                                     |
| <b>Art-fullness Nature Experience at the Wyoming Valley School (ages 7-18)</b><br>Limit 20 campers  | <b>\$50</b> | June 18, 19, 20<br>9:00 a.m.- noon. |
| Participants will have opportunities to nourish our mind, body, and soul through the blend of nature, art, and mindfulness! We will explore the natural environment in both guided and intuitive ways. Participants will have choices to deepen their understanding of nature through hiking, scientific study, play, artmaking, creative writing, etc. whatever way works best for your child. |             |                                     |
