Approval of Minutes from February 15, 2021 Technology Committee Meeting	Jennings	Cates	Approved 3-0
Update from Network Administrator			Duren reported the parts for Chromebooks continue to be a challenge, but slowly improving. Doing testing for the Forward Exam. Also, preparing for the ACT Aspire testing which will be the first time that the test will be done using Chromebooks.
Updates from Library Media Specialists			Staff went over items provided in a report to the committee. Fredrick's highlighted that the Elementary School is allowing students back in the Library for 15 minute blocks. Students can have access to books and materials. Howe shared that her main focus has been getting books that students have been requesting. Working with 5th and 6th graders on Digital Citizenship. Providing support in the classroom. Hovlerson highlighter that a new TV/Computer in the LMC has been hooked up. This device will be utilized to show slideshows of announcements, news, documentaries, and other misc. items. She is working with Lisa Scofield in developing an Instructional Library Media component of next year's freshman Blackhawk enrichment program. Starting a Blog with book reviews. Working with staff on using Borderless Classroom to monitor student activity on the Chromebooks during class.
Future Change to "Technology Committee" Name and Scope			Glasbrenner discussed with the committee a change in the name and scope of the Technology Committee. He is looking to broaden the scope of the committee. Technology is an important component but should also include adoption of materials, curriculum development, Rural Virtual Academy to name a few. Would look to rename the committee to Curriculum & Instruction Committee.

Strategic Plan and Correlation to Committee's Work			Continue work of the committee.
