Staff Involvement in Decision Making

~~It shall be the policy of the Board to encourage employee participation in decision making in the school district.~~

~~The district administrator shall develop channels for the communication of ideas and feelings by employees regarding the operation of the schools. He/she shall weigh with care the counsel given by employees (professional and support staff), and shall inform the Board of such counsel in presenting reports of administrative action and in making recommendations for Board action.~~

~~In the development of rules and regulations for the operation of the school system, the district administrator shall include in the planning stages, whenever feasible, those employees who will be affected by such provisions.~~

~~It shall be the policy of the Board to involve staff in the planning and goal setting process for the District.~~

~~The District Administrator will develop channels for the exchange of ideas among the staff. The Board, through the District Administrator, may require staff to contribute expertise in developing policies and regulations, and in establishing goals for the District, as well as in planning for curriculum, budget and facilities.~~
