River Valley School District Survey

After the outcome of the April 2 vote, we need additional information to help the River Valley School District take next steps. Our April 2024 referendum centered around fiscal responsibility, ADA needs, as well as Safety and Security. These changes would have provided a transition for River Valley to serve all students on one campus with updated facilities.

The information gathered in this survey will provide focus to the Board of Education on which projects our community will support. All answers will remain anonymous, and no email addresses will be collected.
