

April 19, 2024

To: Loren Glasbrenner, Carla Peterson, and the Board of Education

The time has come for me to join my husband in retirement at the end of the 2023-2024

school year. Teaching has been my passion and I have loved teaching at RV Elementary

Schools (Arena, Lone Rock, Spring Green) and teaching multiple grade levels

(K, 3rd, 4th, 5th). I will miss the students and staff, and I have made many lifetime friends

throughout my teaching career in the River Valley School District.

Sincerely,

A handwritten signature in black ink that reads "Cindi Manske" with a horizontal line extending from the end of the name.
